EDUCATION

2023 – 2028	MSc. Data Science, Coimbatore Institute of Technology	CGPA: 7.52/10 – up to 5th Sem
2022 – 2023	Higher Secondary, Bala Bharathi Matric Higher Secondary School	90 %

SUMMARY

Integrated MSc Data Science student (3rd year, CIT Coimbatore) skilled in Python, SQL, Machine Learning, AI, EDA, and Power BI. Proven in building end-to-end AI and data science solutions — from GNN-based fraud detection to large-scale BI dashboards — transforming complex datasets into actionable insights. Seeking a 3-months internship in Data Science, AI, or Analytics.

PROJECTS

TRI-BIOMETRIX - Intelligent Multimodal Biometric Security System **LINK**

Tools & Technologies: Python, TensorFlow, OpenCV, Flask Sep 2025 - Oct 2025

- Implemented a 3-factor authentication system integrating face, voice, and gesture recognition. Applied deep learning models to enhance identity verification accuracy and system reliability.
- Reduced unauthorized access attempts by ~60% through 3-layer biometric validation pipeline through layered biometric validation

NETRATAX – Tax Fraud Detection using GNN **LINK**

Tools & Technologies: *Python, SQL, PyTorch, Flask, PostgreSQL, Neo4j* Nov 2025 - Dec 2025

- Engineered a data-driven fraud detection system analyzing **500K+ GST transaction records** across states to identify shell entities and circular trading patterns. Structured relational datasets and automated graph construction for scalable risk analysis.
- Built fraud risk scoring model achieving **87% accuracy with <5% false positives**.
- Delivered 4 interactive dashboards for fraud network visualization and risk-based case prioritization.

UPI ₹15+ Lakh Crore Digital Payments Velocity Dashboard **LINK**

Tools & Technologies: Power BI, DAX, Power Query, SQL, Excel Jan 2026 - Feb 2026

- Analyzed Rs.15+ lakh crore RBI UPI transaction datasets using SQL and DAX to evaluate payment trends and state-wise growth patterns to deliver KPI-driven insights into transaction velocity and digital market expansion.
- Built interactive a **5-page Power BI dashboard** integrating transaction, channel, and customer datasets to uncover behavioural patterns and operational performance metrics.

INDUSTRY EXPERIENCE / FREELANCE PROJECT

Unirols Airtex – Web Development & AI Integration Dec 2025 - Feb 2026

Architected a full-stack corporate website using React and Flask, structuring product data for improved navigation and customer engagement. Integrated an AI-based chatbot to automate product inquiries and enhance customer support efficiency.

SKILLS

Python, SQL | Data Modeling, EDA, Feature Engineering | Machine Learning| Power BI, DAX | PyTorch, TensorFlow, Scikit-learn | PostgreSQL, MySQL, MongoDB | Flask, Fast API | Excel, Git | HTML, CSS

ACHIEVEMENTS & CERTIFICATIONS

- **SMART INDIA HACKATHON 2025 - Internal Hackathon winner**; recognized as top 50 teams.
- **TECH SCULPT PROJECT EXPO 2025, IEE STUDENT BRANCH - Winner,** awarded for excellence in technological innovation.
- **CIT SPARK GRANT 2025 – Finalist among 25 teams**; pitched innovative project demonstrating impact and technical excellence.
- **ASTRANOVA HACKATHON 2026 (Dept of IT, CIT) – 1st Runner-up**, recognized for high-impact innovation.
- **DATATHON – Special Mention**; Awarded for developing an innovative AI/ML-based solution in a 24-hour hackathon.
- **THE BIG HACK 2025, AIT BANGALORE - Finalist**; selected among 6 teams from 82 initial teams, led a team of 4.
- Awarded the "**Service of Mankind**" honor by the Governor of Tamil Nadu for serving as Scout Captain for 2.5 years.

CO-CURRICULAR ACTIVITIES

1) **Secretary, 403Strats Club** – CIT, Coimbatore [Apr '25 - Jun '26]
   Led a 20 - member team, organizing events and workshops that fostered collaboration and skill-building.
2) **Innovation Lead & Editor, Datalytics Club** – CIT, Coimbatore [Apr '24 - Mar'25]
   Led creative projects and designed 10+ event posters using Canva to boost club visibility.
3) **Secretary, Science Club** – Bala Bharathi Matric Hr Sec School, Salem [Aug '22 - Feb'23]
   Organized science exhibitions, quizzes, and inter-class competitions for 200+ students, coordinating with teachers and managing a team of 15 student volunteers.
